Subject: Homeless encampment under 101 Argyle

Hello Catherine! My name is Gere Fennelly and I am a resident of the Hollywood Dell neighborhood. A lot of our neighbors are very concerned and afraid for our safety due to the growing presence of homeless and possibly mentally ill and/or violent folk that seem to be congregating under and around the Argyle 101 area. I was directed to you by a fellow member of the Next Door website who suggested we let our worries be known. Thanks you for your time.
Sincerely, Gere Fennelly
